

LA MAISON LANVIN

LANVIN was founded in 1889 as the result of the visionary genius of one woman: Jeanne Lanvin. The longest lasting Parisian couture and beauty house has captured the senses of discerning women and men around the world.

THE LANVIN STYLE

A UNIQUE USE OF COLOR AND MATERIALS

From the 1920s, Lanvin stood for its use of bold colors combined with innovative decorative techniques without ever compromising the Ateliers's cutting work and exceptional construction.

Her signature color, "Lanvin blue", was inspired by fifteenth-century Italian frescoes of Fra Angelico.

LE BLEU LANVIN

A great admirer of art, Jeanne Lanvin had a true passion for colors. Driven by her research of perfection, she opened her own dye factory dedicated to color experimentation. Since then, the "le blue Lanvin" has become one of the brand's icon.

LANVIN PERFUMES

In 1924, Jeanne Lanvin opened her atelier de parfums in Paris and a world of olfactory delights was born. Les Notes de Lanvin continues the fragrance legacy with gender neutral refined collections for the bath, body and home. Each perfume note has been inspired by the timeless elegance and the avant-garde spirit of Lanvin.

HOTEL AMENITIES

Les Notes de Lanvin

Inspired by Lanvin's timeless elegance and creative spirit, Les Notes de Lanvin is meticulously integrated into bath, body and home collections with its unisex fragrance. A clean, fresh and elegant orange with hints of lemon in the opening is followed by woodsy notes os stems of bushes in summer meadows. Later a pleasant light amber note leads to the final stages of this scent, drawing an elegant composition with the signature color in Lanvin blue.

Top notes: Orange, Lemon

Mid notes: Green Tea, Lotus

Base notes: Amber
